

How to apply

Submit your application via e-mail to Katrina.Russell@csaa.com by **April 30, 2016**.

- Put “CSAA IG Actuarial Exam Scholarship” in the subject line of the e-mail and your name as the title an attached Word document.
- The body of the e-mail should include a **bulleted list** with your:
 - First and Last Name
 - Phone Number
 - School, Major (Declared or Intended), and GPA
 - Expected Graduation Date
 - Exam you will take under the scholarship and target exam date
 - U.S. Work Authorization Status – put either “Unrestricted authorization” or “Current or future sponsorship required”
- The Word document should include **two short answer essays**, one to address each prompt below. Each answer should be around 250 words.
 - Prompt 1: What interests you about the actuarial profession and what skills do you possess that will make you a successful actuary?
 - Prompt 2: Technology is revolutionizing the auto insurance industry. Vehicles are getting safer and autonomous vehicles are on the horizon. Ridesharing apps like Uber and Lyft are changing how people drive. Telematics devices capture big data about individual driving habits. These developments have implications on the coverage provided by auto insurance policies, the frequency and severity of accidents, and the rating variables and pricing structures of the insurance product.

Discuss two (2) ways you think technology has the potential to impact the homeowners insurance industry. If you don't think the technology exists today, what do you believe are realistic developments that insurers can expect to prepare for over the next 20 years?
